## Committee

Since the last meeting of the Association your Committee has met on two occasions once each at Perth & Fremantle,

We have requested the State Schools. A. G. Association to give a hearing to representatives from this Association at their annual meeting on Wed May 31st at 9.30 P.M. In this matter we are acting on the advice of the teachers supporting the national game,

At the Fremantle meeting fixtures for the Fremantle division were drawn up by your Committee & representatives from all of the schools sending teams. The matches in this division will commence on Friday evening next,

With regard to organising in Perth & suburbs little can be done by delegates alone owing to the scattered nature of the schools & the unsuitability of the hours to those engaged in business. We therefore <sup>(recommend that unless)</sup> ~~recommend~~ the Perth schools be abandoned <sup>(recommend)</sup> this season that an <sup>(immediately)</sup> organiser be appointed to work up the schools in & around the city during the next fortnight,

Report week ending 14 June

Your Committee met at Perth last evening in conference with six metropolitan teachers and ~~one~~ <sup>fixtured</sup> for Friday next were drawn up in which eight teams will participate with a probability of two further teams desirably desiring to enter before the week ends.

As the work of organising in Perth is not yet complete your Committee recommend that Mr. Jas. Hall be asked to act for a further term on same conditions as last after which the Perth teams will be sufficiently well established to look after themselves.

As suggested at the last meeting of the Association we have considered the matter of issuing <sup>(1000)</sup> booklets on the same lines as those of New South Wales. The cost will be approximately £7.10-0 and we therefore recommend the expenditure.

The expenditure entailed by the foregoing recommendations can be met by the funds at present in hand or in sight without asking for any further vote for the present season.
